Re: Testimonial

Dear Ms. Kinsey:

We wish to thank you for many years of quality service that you have provided to our firm in connection with website development and maintenance, hosting and other website advisory services. Our firm and its practitioners receive positive feedback regarding the site, its presentation and content.

The same is true of the new website you created for us in late 2006 in connection with a commercial real estate project that we operate in South Florida. It is also well presented and maintained and serves our business needs effectively. Your timely response to update requests is exceptional.

Thanks again for providing consistent professional services over what is now ten years.

Sincerely yours,

Thomas H. Hicks
